

Supply List for Step by Step Painting with Erica Qualey

Paint - This list is the paints I will be using during this workshop. If you already own watercolor paints and want to substitute with similar colors please feel free.

Cobalt Blue

Ultramarine Blue

Cad Red

Burnt Sienna

Viridian Green

Lemon Yellow

Yellow Ochre

Neutral Tint

Brushes - One medium size round brush with a nice point (something around a 10 or larger). If you don't have a brush that holds a nice point you may want to have a second round that is smaller for any detail you may want to add.

One Mop brush - these brushes come in different shapes and sizes. The key thing with this brush is that it must hold A LOT of water.

Paper - Four sheets of 140 lb. watercolor paper 8" x 10"

I recommend buying one large sheet of 140lb. Arches cold press and cutting it down.

Miscellaneous - Tape, support board, pencil, water container, hair dryer, kitchen sponge, paper towel
